Casa Teresa has been completely remodeled inside and out under the guidance of one of San Miguel de Allende's best known designers. The home features two spacious bedrooms on the main floor and a bonus room with bathroom off the enormous rooftop terrace. The living room and master bedroom both open to a covered flagstone porch from which to enjoy the newly landscaped garden with mature palm trees. The house is completely enclosed within a natural stone wall giving the space a tranquil very private feel. This home has all the features you want including separate garage with automatic door, plenty of storage, two large cisterns, and a pressurized water system. Don't miss the lovely modern home offered at a very competitive price.
